Team Manager: I accept the responsibility that all players or parents of minor player on this team have signed the separate team roster and I will take full responsibility that only rostered players will play in any games or practices held at California Family Fitness. If any person plays on this team without signing the release, I as team manger, take full responsibility and release California Family Fitness of any responsibility from said person. If this team chooses to play in additional CFF leagues after this one and there is a change in manger, I agree to make sure that the new manager fills out a new team form. If a new form is not completed, I take responsibility for everyone on that team and the financial obligations that go with it. In the event that a make up game needs to be scheduled, my team agrees to play on a day that may not be our normally scheduled day. I have read the League & Player Guidelines, the Release of Liability and the Assumption of Risk Management; I fully understand the terms and I have given up substantial right by signing it. I sign it freely and voluntarily without any inducement. I understand that league fees are due by the 3rd week of each session. A late fee of 10% of the team's balance will be issued prior to week 4. I also understand that my team will forfeit any games after week 6 if my balance isn't paid in full prior to the 7th week. I agree to all the rules set forth by California Family Fitness and understand that California Family Fitness has the right at any time to create or modify rules to ensure the safety of players, fans, officials, and staff. As a Team Manager, I take full responsibility of players on my roster, and that they will abide by our set forth Player Code & Conduct Policy.
